[REDACTED]

During the past two years this Agency has utilized the facilities of [REDACTED] in conducting a special training program. Since the need for these facilities no longer exists, the Camp was closed early this month.

The results achieved in this program would not have been possible without the excellent cooperation and support given at [REDACTED] by you and your predecessors [REDACTED]. Such support is particularly appreciated because of the important elements of security involved and the fact that the program did not contribute to the accomplishment of the mission of [REDACTED].

I should like to mention specifically the support contributed by the [REDACTED]. This Department qualified six classes of students, provided [REDACTED] training for individuals and small groups, and was extremely generous in making available various items of airborne equipment and facilities. The Director, [REDACTED] was very considerate of our problems and most helpful in every way.

I appreciate very much all you did for us and the fine spirit in which your support was given.

Sincerely,

Walter L. Smith  
Director
